Senator Johnson Disagrees.

Senator Johnson Disagrees.

Senator Johnson of California, who was allied with Senator Borah in the fight against the Versailles treaty, today was said to have disagreed with Senator Borah's contentions that the treaties were likely to involve this nation in European affairs. Senator Shields also was one of the "irreconcilables" of the Versailles treaty controversy who today supported the new treaties.

Senator Hitchcock of Nebraska, ranking democrat on the committee, was not present today, but has here-tofore expressed himself as Tavoring the treaties.

reservation requiring an act of

corporation of suggestions by Senators Johnson and Brandegee. The resolution of ratification of the German treaty, with the reservation as finally evolved, provides:

Text of Resolution.

"Resolved (two-thirds of the senators concurring therein) that the Senate advise and consent to the ratification of the treaty between the United States and Germany signed at Berlin August 25, 1921, to restore the

or commission nor shall any person represent the United States as a mem-ber of any body, agency or commis-sion in which the United States is authorized to participate by this treaty unless and until an act of Conof the United States shall pro

lating to protection of American property rights as provided in the Knox peace resolution, and declared that "the words United States shall be construed to include the United States and its nationals." This reservation also accompanies the Austrian and United States and Companies the Austrian and The Companies of a world series game to the American and States and Companies the Austrian and The Companies of the Event Clevaland Lamie.

Mr. Gompers also sent out a call to "every Central Labor Union" urging whole-hearted support and participation in the Armistice day demonstration. The game had all the frills and fringes of a world series game to the support and participation in the Armistice day demonstration. The process and the national commission.

Hungarian pacts.

Senator Borah indicated that he would carry his fight against ratification to the Senate floor.

The committee voted to have the treaties considered in open session.

League of Nations' Assembly **Debates Resolution Appeal-**

First Report Presented by a Woman Submitted to the

By the Associated Press.

GENEVA, Switzerland, September 23.—Debate on the resolution urging the council of the league of nations to work for an early settlement as to the terms of the mandates for former German colonies between the mandatory powers and the United States was opened in the league assembly today by Mme. Bugge-Wicksell of Sweden. She expressed satisfaction with the offers of France, Great Britain and Belgium to allow the commission on mandates to examine into the administration of the territories in their charge, and urged the passage of the resolution.

Lord Robert Cecil, representing South Africa, expressed regret that the proposde class B mandates were not more explicit on the prohibition of slavery and not more stringent as regarded regulation of the liquor traffic. He thought the council might tories in their charge, and urged the passage of the resolution.

Lord Robert Cecil, representing South Africa, expressed regret that the proposde class B mandates were not more explicit on the prohibition of slavery and not more stringent as regarded regulation of the liquor traffic. He thought the council might have defined the B mandates at its present session, but added that in view of the obstacles the commission had obtained the next best thing—the consent of the mandatories to open their administrations to investigation.

With the agenda by the other powers.

# **NEW WAR METHODS** MAY BE STUDY OF PARLEY EXPERTS

Creation of Commission Is Contemplated in Official Circles.

REPORTS OF DISCONTENT ON AGENDA DISCREDITED

Assurances Given That There Is No Basis for Statements

RY V. O. MESSENGER. Possibility of the creation by the ar-

nament limitation conference of an expert commission to study and report on new agencies of warfare is contemplated in official quarters. Inlusion in the suggested agenda of he conference as a special subject of "Rules for the Control of New Agencies of Warfare" is regarded as proof

cies of Warfare" is regarded as proof of the importance which the government attaches to it. Interest in which is shared by the public.

It is said to be the view of this government that an international conference on limitation of armament could scarcely ignore the methods of warfare adopted in the world war with their devastating effects, nor fall to take cognizance of the proposed enlargement of this field of destruction in the future.

As rules of international law might be involved in attempted regulation of the use of new agencies of warfare, the thought has been considered of setting up a body of experts to go into the subject in detail.

Discredit Reports.

originally suggested.

However, opinion may be divided
the shots, then ended her own as to the relative importance of the firing a bullet into her brain. two branches of the work of the conference, limitation of armament and consideration of Pacific and far eastern questions, there is no doubt that the armament subject will be kept in the limelight and the conference constantly reminded that the light is to be steadily focused upon its proceedings.

its proceedings.
Organized labor in the countries represented in the conference has been asked by Samuel Gompers, president of the American Federation of Labor, to take part in a "world-wide demo stration for disarmament" on Armis tice day. In cablegrams sent today by Mr. Gompers to labor organizations in Great Britain, France, Italy and Japan they were requested to join in

demonstrations. Text of Cablegrams. The cablegram sent to C. W. Bower-

nan, chairman of the parliamentary committee of the British Trade Union Congress, with which the other cable grams practically are identical, fol-

"American Federation of Labor whole-heartedly for fullest possible disarmament in interest of interna-tional peace and good will. Isn't it possible to have demonstrations of English people in support of this humanitarian purpose with a view of humanitarian purpose with a view of having them prevail upon the British government, as we are trying to prevail upon ours and all others, to insist upon the fullest limit of disarma-Mr. Gompers also sent out a call to

ment at Washington conference. for failure anywhere," the call de-clared. "The importance of the event

is paramount.

Let the voice of the American people be heard in its full volume. Let the international conference on limitation of armament understand the will of America.

In this country the churches and various civic bodies for the uplift of humanity intend to make known their interest in the subject and give notice that they are in touch with the aims and the work of the conference. Armistice day, which is to witness the formal opening of the conference and its immediate adjournment to enand its immediate adjournment to en-able the carrying out of the program to honor the unknown soldier dead of America in the world war, would, if labor follows in other countries the program suggested by Mr Gomp-ers, be observed internationally.

President's Interest. Presiden Harding is not abating his interest in investing the day with solemn and indeed sacred atmo this country. The intimation has come from high governmental sources that no demonstration in Washington is regarded as desirable beyond the ceremonies in honor of the unknown dead on that day. Other demonstrations in the National Capital, it is indicated, can appropriately be made subsequently.

the National Capital, it is indicated, can appropriately be made subsequently. The War Department today made announcement that in accordance with an act of Congress providing for the burial of an unknown American who was a member of the American expeditionary forces, and who lost his life during the world war, the War Department intends to extend an invitation to all liying holders of the medal of honor residing within the continental limits of the United States to visit Washington to participate in the ceremonies referred

to participate in the ceremonies referred to on November 11.

"Holders of the medal of honor who accept this invitation will be considered as official mourners who will follow the remains from the Capitol to Arlington cemetery, and it will be necessary for them to arrive in Washington not later than the night of November 10. Holders of the medal of honor who furnish their addresses to the adjutant general of the Army will

## RICH WOMAN SHOT; ASSAILANT SUICIDE

Jealousy Declared to Have **Been Motive for Tragedy** in Brooklyn.

"TOO MUCH HIGH LIFE"

Dead Woman Leaves Note Saying Pace Was Too Fast and Liquor Crazed Her.

NEW YORK, September 23 .- Miss sired and expected to be elastic; that such was a leading thought in their preparation. The suggestion of the preparation. The suggestion of the a daughter of Alfred P. Hanan, framework of what can certainly be regarded as a practical program does not mean, it was explained, the exclusion of suggestions hereafter to be manufacturers, was shot three times made. As new topics and subjects arise, they are not to be excluded because not included in the agenda as carried to the support of the support porter. Mrs. Grace Lawes, who fired the shots, then ended her own life by

According to the police, Borland said Mrs. Lawes had stepped out of the shadows as he and Miss Hanan emerged from the apartment, where they had been visiting a friend, and fired the shots. He attributed the shooting, police said, to jealousy, ad-mitting that he had quarrelled with Mrs. Lawes recently over Miss Hanan

Condition Critical. Miss Hanan's condition was re ported to be critical but not necessarily fatal. One of the bullets took effect in the left breast near the heart, one in the left side and one in

the right arm.

Borland was unable to explain to the police how Mrs. Lawes learned that he and Miss Hanan were visiting in Brooklyn. He said he had gone to Brooklyn yesterday afternoon with Miss Hanan to help her seek a new apartment. The apartment hunting trip, he said, ended with a visit to the presents of the presents. trip, he said, ended with a visit to Miss Dorothy Gottschalk, a friend of

her family.

They left the apartment about 1:25 a.m., he said, and encountered Mrs. Lawes as they stepped to the street. Without speaking, Mrs. Lawes drew a pistol and fired. She then stood for a pistol and fired. She then stood for a moment regarding them, Borland said. Then she uttered a scream, pressed the muzzle of the pistol against her head and fired.

Leaves Two Letters.

### WOMAN WINS ELECTION.

Gets House of Commons Seat to Succeed Husband.

By the Associated Press. LONDON, September 23 .- Mrs. Margaret Wintringham, liberal, has been elected to the house of commons for the Louth division of Lincolnshire in succession to her late husband, Tom Wintringham. She will be the second woman to take a seat in the com-nons, Lady Astor having been the first. Mrs. Wintringham received 8,366 votes; Sir Alan Hutchings, coalition-unionist, 7,595, and James George, labor, 3,873. Women took a large part in the election campaign.
